

USMAN AHMAD

Data Analyst Intern

+923251426899 @ usmanahmad417406@gmail.com www.linkedin.com/in/usman-a-017822229 Lahore, Pakistan

SUMMARY

Aspiring Data Scientist currently in the fourth semester of Bachelor's degree in Data Science. Proficient in Python and SQL, with strong foundations in programming, data structures, algorithms, and database management. Completed coursework includes OOP, DSA, Database Administration, COAL, Statistics, and Linear Algebra. Demonstrated problem-solving abilities, effective communication, and teamwork skills through collaborative projects. Eager to apply academic knowledge in a practical setting and contribute to a dynamic team through an internship opportunity.

EXPERIENCE

Business Developer

Dev&Mark

07/2023 - 01/2024 Lahore

Company providing software solutions.

- Utilized LinkedIn to connect with potential clients and successfully secure job opportunities.
- Maintained strong client relationships by effectively communicating with US-based clients, meeting their needs and leaving them highly satisfied.
- Supported business growth by establishing and maintaining strong client connections.

PROJECTS

Static Website for Online Mobile Store

03/2023 - 04/2023 Lahore

1st Semester ICT Project

- In the first semester of my degree, I developed the front end of an online mobile store using HTML, CSS, and JavaScript.
- The project included creating five pages: Home, About, Products, Contact, and Login.

Cinema Ticket Booking System

10/2023 - 11/2023 Lahore

2nd Semester OOP Project

- Developed an online cinema booking system as part of a team of five, utilizing Tkinter, SQLite, and Python.
- The system features user login and signup pages, a ticket booking system, and the ability for customers to book ticket wards.
